

# Paragon Productions LLC

**Paragon Productions**, is a Funding Source Agency and Production Company for Movie, Television and a variety of Video Productions. Our staff is dedicated to providing you with the very best in customized television and video production as well as movie production services. We specifically work with your ideas, timeline and within your budget. Unlike the larger production studios, our overhead is smaller, we can be mobile, or film at our facilities. We'll save you money while offering a commercial spot and or video you can be proud of. We can create a music video that will represent you well. We have a talented staff available to produce the movie you have always dreamed of making with a custom fit budget that can turn your dream into reality.

**Paragon's Commercials** are always airing on, the internet, cable and standard TV Channels.

**We are proud to list a just a few of our satisfied customers:**
